

COUNCIL FOR WORLD MISSION
PARTNER IN MISSION PROGRAMME
LONG TERM MISSION OPPORTUNITY

Head of Department: Psychology and Counselling at the International University of the Caribbean (IUC)

Summary:

The United Church in Jamaica and the Cayman Islands is seeking a mission partner to serve as the Head of Psychology and Counselling Departments at its University, the International University of the Caribbean (IUC). As an innovative private university that majors in the humanities, IUC emphasizes collaborative, interdisciplinary learning that are undergirded and informed by peace building and community engagement.

This role will involve leading and managing the Psychology Department to realize its potential and deliver excellence in the full portfolio of academic programmes and activities, within the context of the operation and strategic development of the University. The Faculty of Psychology seeks to deliver programmes that are designed to meet the psychological challenges that are emerging within various types of organizations and require interventions that are rooted in an understanding of psychological theories and practices as well as psychological dynamics that are associated with the individual, groups, and systems.

Minimum Qualifications:

- First Degree in Psychology conferring eligibility for Graduate Basis for Chartership with the British Psychological Society and or the American Psychological Association (APA) combined with a Doctorate or PhD in Psychology or relevant discipline.

Desirable criteria:

- Registration as Practitioner Psychologist with a recognized body or as practitioner in Counselling/Psychotherapy (BACP Accredited membership or UKCP registration).

Duration – 3 years, at minimum	Location – Kingston, Jamaica	Start Date – Immediate
---------------------------------------	-------------------------------------	-------------------------------

General Expectations of the Partner in Mission:

- Contribute to the formation of IUC's strategy and plans through engagement with the Deans of IUC and other colleagues.
- Able to engage in strategic planning.
- Excellent organisational, communication and interpersonal skills.
